

**Environment & Heritage Group**

**Vision Statement (what do we want Whittlesford to be like in 2031)**

Preserve the identity of the historic/natural environment of Whittlesford as a thriving Cambridgeshire village in a rural setting with a school pubs, office etc. while preserving the character and managing the opportunities provided by the villages rural environment and rich ecology, geology and archaeological heritage with high quality transport connections.

**Objectives (How will the NP turn the Vision into a reality)**

1. (Need to answer) Increased traffic re station – Ensure that changes in traffic flows do not adversely affect the quality of life for local residents, safety of pedestrians and road users or easy access to the station.
2. (Need to answer) Education, provide schooling for all village children.
3. Walking, rural. Preserve rural views and access to countryside walks.
4. Local businesses so not just commuter village. To support a wide variety of local businesses with the village.
5. Support local shop and post office.
6. Preserve sites of special scientific interest, archaeological and historic interest.
