

Housing & Commercial Deveopment Group

Vision Statement (what do we want Whittlesford to be like in 2031)

- Green village. Riverside walk, magnet for wildlife.
- Sustainable
- To preserve quality of life and environmental attributes in the village and taking into account and enhancing the facilities for all people.
- Accessibility
- Popular place to live
- Preserve and conserve natural and cultural heritage of the village
- For all
- Character
- Integrate and bring communities together
- Conserve the river environment, provide river access.

Objectives (How will the NP turn the vision into a reality)
